Funky Bug Plates

It's time to get creative with a bug-tastic craft activity. *Remember to make sure an adult does any tricky cutting out and children are supervised.*

You will need:

- Paper plates of different sizes if possible
- Coloured card
- Scissors
- Glue
- Pipe cleaners
- Tissue paper

Instructions:

To make a butterfly shape, stick four smaller plates around a larger plate to create wings.

Next, it's time to get creative! Layer discs of different coloured paper, crumple up tissue paper into stripes, add eyelashes, lips or whatever patterns you wish to your funky bug plate.

You can use coloured pipe cleaners to create the bug's antenna.
